- Kristine Koch and Sean Sheldrake from R10 will be on each tour.
- Everyone participating in the boat tour will be picked up from the Double Tree Hotel and shuttled to/from the boat ramp. Please be ready in the lobby of the hotel 30 min before the start time of your tour.
- It will most likely be raining and in the 40s-50s in Portland in mid-November. **Please bring a raincoat and warm layers.** The EPA boat is not very big and the indoor cabin only fits about 5 people at a time. Each tour has 12 people on it, so everyone will have to take turns being inside and outside of the cabin. The back deck has a roof, but it will get chilly outside. Please note that the boat does not have a bathroom onboard, so you will need to plan accordingly.
- The tours were organized based on everyone's arrival times. Please let me know if your travel plans change.
- The Double Tree Hotel is on the Trimet MAX Red line from the PDX airport (<http://trimet.org/pdfs/maps/railsystem.pdf>). The MAX ride is 30 minutes to the hotel. Get off at the NE 7th Ave MAX station and the hotel is a 2 minute walk away. The meetings will be held right in the hotel and we will shuttle everyone for the boat tour, so there is no need to rent cars during your stay in Portland.

Please let me know if you have any questions.
